ENROLLMENT STATISTICAL SUMMARY
(DELIVERY-SITE BASIS)**

SPRING 2001

AS OF JANUARY 16, 2001

Executive Summary

- Total Spring 2001 enrollment at UNO is up by less than 1% over Spring 2000, 13,391 and 13,296 respectively (see Figures 1 & 2).
- The growth in the enrollment is due primarily to a 2.8% increase in the graduate enrollment (see Figure 2).
- In addition to enrollment being up 0.7%, the total credit hours for Spring 2001 is up 3.1%, 135,588 compared to last year's Spring total of 131,535 (see Figure 3).
- Undergraduate credit hours increased by 3.2%, from 117,790 in Spring 2000 to 121,531 in Spring 2001 (see Figure 3).
- Accompanying the 2.8% increase of the graduate headcount, the corresponding graduate credit hours increased 2.3% (see Figure 3).
- Spring 2001 undergraduate enrollment for the College of Arts and Sciences remained virtually the same as Spring 2000 (2,824 and 2,818), as did the graduate enrollment; however, credit hours produced at the undergraduate level increased by 4.7 % from Spring 2000 to Spring 2001, and credit hours produced at the graduate level increased by 4.0% (see Figure 4 & 5).
- Although the total enrollment in the College of Business Administration declined -2.1% from Spring 2000, its graduate enrollment increased 16.8% from the 380 enrolled in Spring 2000. The overall decline resulted from a -6.2% drop in undergraduate enrollment. It is important to note, however, that the graduate credit hours increased by 13.0% while the undergraduate credit hours increased by 0.9% (see Figures 6 & 7).
- The undergraduate enrollment in the College of Education decreased by -3.1% from spring 2000 to spring 2001, while the graduate enrollment increased by 1.2%. Both the undergraduate and graduate credit hours produced decreased, -5.4%, and -6.8% respectively (see Figure 9 & 10).
- The graduate enrollment in the College of Fine Arts increased by 18.2% from Spring 2000, and the credit hours produced at this level increased by 18.0%. But the credit hours produced at the undergraduate level decreased by -3.1% while the undergraduate enrollment showed a very slight decrease of -0.6%(see Figures 11 & 12).
- The undergraduate enrollment of the College of Information Science and Technology increased by 4.4%, up from 766 in Spring 2000 to 800 in Spring 2001; but the undergraduate credit hours produced in this period decreased by -1.8 % (7,802 and 7,661 in Spring 2000 and Spring 2001 respectively). The graduate enrollment

increased by 20.2%, and the credit hours produced at this level increased by 9.0% (see Figures 13 & 14).

- The undergraduate enrollment in the University Division increased by 7.7% from Spring 2000 to Spring 2001 (698 and 752 respectively), but the credit hours produced at this level decreased by 17.2% (see Figures 17 & 18).
- Non-UNO degree seeking undergraduate headcount enrollment dropped by 12.2%, from 403 in spring 2000 to 354 in spring 2001 (see Figure 19). Non-UNO degree seeking graduate headcount enrollment dropped from 500 in Spring 2000 to 449 in Spring 2001, a 10.2% decrease (see Figure 20).
- All the UNL programs administered at UNO increased in enrollment and SCH. The undergraduate headcount enrollment in the College of Agriculture increased from 17 in Spring 2000 to 24 in Spring 2001, and the undergraduate credit hours produced increased from 558 to 750 in the same period, a 34.4% increase over Spring 2000 (see Figures 21 & 22).
- The undergraduate enrollment of College of Architecture increased by 5.9%, from 51 in Spring 2000 to 54 in Spring 2001; but the credit hours produced at this level increased by 19.0% (326 in Spring 2000 and 388 in Spring 2001) (see Figures 23 & 24).
- The College of Engineering & Technology enrolled 795 undergraduates in Spring 2001, which is up from 678 in Spring 2000, a 17.3% increase. The credit hours produced at this level increased by 21.2% from Spring 2000 to Spring 2001 (see Figures 25 & 26).
- The undergraduate enrollment in the College of Human Resources and Family Sciences increased by 9.0% from Spring 2000 to Spring 2001, and the undergraduate credit hours produced increased by 25.6% in the same period (see Figures 27 & 28).

Introduction

The Office of Institutional Research has produced an Enrollment Statistical Summary Report for each semester since 1995. The purpose of these reports has been to provide the University Community with both undergraduate and graduate enrollments broken down by class, gender and ethnicity.

The current report (Spring 2001) has been organized in such a manner so that the information presented is easier to read, and the additional break outs of full and part-time undergraduates and graduates by class, gender and ethnicity will add a little more information available to you for planning purposes. We anticipate that future reports will include more detailed student credit hour production information to assist in your management and planning activities.

We invite your reactions to the Enrollment Statistical Summary Report. Please let us know of any changes or suggestions for additional information you feel would be helpful. We can be reached by telephone at 554-2367 or by Fax at 554-2873.

Mark A. Byrd, Director

Office of Institutional Research

Figure 1.
Delivery-Site & Administrative-Site Head Count Enrollment,
Spring 1976 through Spring 2001

Delivery-Site

Spring, 1976 = 14,294; Spring, 2001 = 13,391

Percentage change, 1976-2001 = - 6.3%

Administrative-Site

Spring, 1980 = 12,733; Spring, 2001 = 12,540

Percentage change, 1980-2001 = -1.5%

Glossary

The head count and student credit hours in this enrollment report are provided on a delivery-site basis. Delivery-site includes enrollment in all courses taught at UNO regardless of "home" campus. This means that courses/programs offered through UNL but taught at UNO are included in the numbers presented here. Specifically, the delivery-site enrollment numbers include students enrolled in courses at UNO in the colleges of Agriculture, Architecture, Engineering and Technology, and Human Resources and Family Science. **Excluded** from this report are UNO students enrolled in the college of Public Affairs and Community and Community Service located at UNL.

FIRST-TIME, FIRST-YEAR (freshmen) student: A student attending any institution for the first time at the undergraduate level. For students entering the fall term, this includes students enrolled in the fall term who attended college for the first time in the prior summer term. Also included are students who entered with advanced standing (college credits earned before graduation from high school).

OTHER FRESHMEN: At the beginning of the current semester, undergraduate students who (1) are not First-Time Freshmen and (2) have less than 27 semester hours earned from all institutions of higher education attended.

SOPHOMORES: At the beginning of the current semester, undergraduate students who have at least 27, but not more than 57, semester hours earned from all institutions of higher education attended.

JUNIORS: At the beginning of the current semester, undergraduate students who have at least 58, but not more than 90, semester hours earned from all institutions of higher education attended.

SENIORS: At the beginning of the current semester, undergraduate students who have at least 91 semester hours earned from all institutions of higher education attended.

SPECIAL UNDERGRADUATES: Undergraduates holding an undergraduate degree awarded before the beginning of the current semester.

LESS-THAN DOCTORAL: Graduate students who have not been accepted into a doctoral program.

DOCTORAL: Graduate students who have been accepted into a doctoral program.

FULL-TIME: In the current semester, undergraduate students enrolled for 12 or more semester hours, or graduate students enrolled for 9 or more semester hours.

PART-TIME: In the current semester, undergraduate students enrolled for less than 12 semester hours, or graduate students enrolled for less than 9 semester hours.
